## PART – C

- 1) Global financial crisis has created new challenges and fear psychosis among students and parents. Some of the developed countries are on the verge of thinking to put a full stop for outsourcing. The number of corporate houses coming for campus placements has drastically come down. India is yet to experience the effects of this financial crisis. But the media has created a hype and the fear is clearly seen on the faces of the youngsters. To overcome the existing situation and to motivate the students to perform better we have drawn up the below mentioned plan of action for the academic year 2009-2010.
- 2) To Strengthen the existing courses both in terms of quality and quantity.
- 3) To provide internal and infrastructural facilities according to the needs of the courses.
- 4) To pay more attention towards the development of soft skills among students.
- 5) To overcome the limitations of space and resources it is decided to enter into MOU with training providers in the respective areas.
- 6) The shift from morning college into day college will be continued even in future.
- 7) To continue publication of Books and to make it a regular feature.
- 8) To form a sports academy at the Dist. Level to uplift the sports talent of this region.
- 9) Chairman sports committee Dr. Pradeep Murudgar is working out the modalities.
- 10) To organize one National Level Conference and a state level conference in History and sociology respectively.
- 11) To shoulder the responsibility of arranging an IQAC workshop.

- 12) To initiate theme of the month programme whereby the Fine Arts Dept and Music Dept will highlight the theme and the happenings of that month through concerts and exhibitions.
- 13) To motivate the students to take up minor issues for research and to submit project reports.
- 14) To initiate share – care concept the differently abled and less abled will share their feelings and problems with their Classmates and they are in turn motivated to take care of such persons.
- 15) To arrange Music training campus and performances in sum areas.
- 16) To takeout the students to expose the realities of leprocy centres, cancer care centre and jail.
- 17) To take up Computer awareness programmes in Tandas and remote villages.
- 18) To take up the expansion of the administrative office.
- 19) To organize various activities under NSS, and CGC.
- 20) To display Fare of the month in the College premises for the benefit of the students. Through this a detailed introduction about the News maker in the month is provided to the students.
